

**Warren Powers**, computer science major and 2004 graduate of NMU, will talk to students and faculty about Grad School.

Warren is currently attending Michigan Tech and is enrolled in their graduate program

Thursday, February 10  
4:00 p.m.  
NSF 1302

**Dr. Hal Martin** will speak to students about the NMU Math Club. This club, which has been inactive for the past 3 years, is actually 35 years old.

Come and hear about the plans to revive this social, intellectual and service organization. The Math Club will be open to mathematics, mathematics education and computer science students as well as all other students and faculty at NMU. Interested community members are also encouraged to join.
